A "FORCED SALE" of Summer Clothing

\$50,000 Stock of New Garments Must Be Turned Into Cash at Once!

This is unquestionably the biggest sale of High-Grade Ready-to-wear Clothing Washington has ever known of. There is no secret about this sale—here are the plain facts. We are manufacturers of Men's, Youths' and Children's Clothing—our factory being located at 213 W. German Street, Baltimore, Md.

**This \$50,000 Stock Was Made Up Specially for Straus Bros., Who
Were Located at 20 W. Baltimore Street, Baltimore, Md.**

This firm went out of Business a few months ago and this threw this immense stock on our hands. The entire order being ready for delivery when Straus Bros. countermanded it, there were only two things for us to do—one to sell it outright to jobbers and the other to dispose of it to the general public and our former patronage ourselves.

This Sale the Biggest One in Years

Our own spring and summer stock of \$90,000 has been added to the grand clearance sale, and makes this a sale that cannot be ignored by economical people.

The sale includes the newest and best advance summer styles in fabrics such as worsteds, chevots, serges, cassimeres and others, in the popular shades of gray, brown, olive, blue and black, in stripes, checks and invisible plaids in high, dark or solid colors.

Two and-three piece suits, cut single and double breasted. The two and three piece suits are cut in the nobby 2 and 3 button long lapel style; trousers with cuff bottom.

33% and 50% Under Regular Prices

You'll never have another opportunity to buy such sterling made clothing for so little. Never in our history of clothing selling have we been able to offer such values.

Remember, we guarantee every garment in this sale, and all are our own production.

Get in tomorrow—make your selections early—the window display will give you an idea of the styles, patterns and designs—ALSO THE LOW SALE PRICES.
